

Playing games with your child

Have fun!

- Look for letters and words in the world around you when you are out and about (signs, adverts, food wrappers etc)
- Play I-spy
- Sing songs, recite rhymes and tell stories together
- Spell your child's name out in the park using sticks or leaves
- How many As, Bs or Cs can your child see on their journey to school, the park, the supermarket, etc.

Visiting the library

Choose books!

- Choose books together
- Choose books your child can read to you, such as a picture book
- Choose books you can read to your child
- Choose some books for yourself.

Reading with your child

Booktime
www.booktime.org.uk

Reading together every day and having fun with stories will make your child a more confident reader.

- Read to your child
- Tell your child stories – from books from your childhood to stories that you've made up
- Talk to your child about the books that you've read
- Look out for rhyming words when you read together
- Let your child see you reading.
